The perfect location to hold a variety of events!

Transport access

A five-minute walk from Tōkaidō Shinkansen, JR Yokohama Line and Yokohama Municipal Subway Blue Line Shin-Yokohama Station! The excellent access is currently being further improved!

The Sōtetsu JR Link Line and Sōtetsu-Tōkyū Link Line are also scheduled to open in the near future. Access from Shibuya and Yamanote without changing trains will become possible and travel times will be shortened dramatically.

Map of surrounding area

An excellent location with extensive accommodation facilities in the vicinity.

Come out from the Tōkaidō Shinkansen, JR Yokohama Line and Yokohama Municipal Subway Blue Line 'Shin-Yokohama Station', head right down the street in front of the station that runs parallel to the Shinkansen Loop Road No. 2 and you will soon come to the cylindrical building of the Shin Yokohama Prince Hotel. Go across the covered footbridge that is just beyond the hotel and you can walk directly to the front entrance of the Yokohama Arena.

Visitors coming by car

Expressway Limousine Bus

* There is no dedicated parking for visitors. When coming to the venue by car, please use the nearby paid parking lots.

Company Overview

Tel: 045-474-4000
Fax: 045-474-4040
URL: http://www.yokohama-arena.co.jp
Established: November 5, 1986
Opened: April 1, 1989
Capital: 4,999,990,610 yen
Investors: Kirin Holdings Company, Limited, City of Yokohama, Seibu Railway Co., Ltd.,

Corporate Philosophy

To enrich the minds of the people and contribute to the development of culture and society by sharing dreams and excitement.

Mission

To help to fulfill the desires of the people.

Vision

To aim to be creative base to be loved by people all over the world.

From all over the country. From the Tokyo metropolitan area. The perfect location to hold a variety of events!
Everyone is a co-star. Now, come to the stage where dreams and excitement are shared.

Performers, organizers, event staff, Team Yokohama Arena and the audience. At that moment, the emotions of each and every person connect together as one, and that singular great excitement is etched into their memories. “Yokohama Arena” makes the realization of a variety of events that will be filled with such a sense of unity ever more convenient and pleasant. In addition to excellent, world-class accessibility, numerous facilities, which have been further enhanced, will escort all participants at a variety of events as co-stars.
A style that allows for freedom of configuration in a flexible space will lead to a success.

A convention and after-party that can be held on the same floor. The great convenience of not having to move to another venue such as a hotel for the dinner after the ceremony, simultaneously achieves efficient operation for the organizers and ease of use for your guests.

It is great to be able to move between venues on the same floor!

A “venue layout” to create two usage scenarios at the same time.

Split-usage pattern

1,000-4,000 persons

Divide the Main arena into two, and you can have the ceremony venue and after-party venue set up on the same floor. It is popular as a convenient and efficient plan, where your visitors can move to the party venue with ease, even for large scale conventions.

Assisting smart holding of conventions!

Catering services and accommodation

The neighboring Shin Yokohama Prince Hotel will provide catering services, so you can enjoy the taste of a top-class hotel in the main arena. In addition, as there is a large number of hotels dotted around the surrounding area, even visitors requiring accommodation need not worry.

 ê Please refer to the back cover for more information.

˙ A Stage

A pattern which uses a stadium-seating arrangement to create a sense of unity even at large-scale events.

˙ B Stage

A wide-venue stage pattern, with an emphasis on visibility, that is suitable for parties, etc.
Concert

The feelings of everyone in the venue will become one.

Organizers who want to provide the ideal stage, performers who want to give the best performance, staff who want to create a comfortable space and the visitors who want to remember that moment forever. Yokohama Arena’s extensive facilities will grant the wishes of all such people.

Changes can be made flexibly in accordance with the type of event!

A variety of “stage patterns” that spark excitement and emotion

<table>
<thead>
<tr>
<th>A Stage</th>
</tr>
</thead>
<tbody>
<tr>
<td>13,000 (including standing room)</td>
</tr>
<tr>
<td>A standard concert show pattern, using the main arena lengthways, that can handle 10,000 – 15,000 people. It makes it possible to create a space filled with a sense of unity that will captivate the audience.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>B Stage</th>
</tr>
</thead>
<tbody>
<tr>
<td>12,000 (including standing room)</td>
</tr>
<tr>
<td>A concert show pattern, using the main arena sideways, with an emphasis of easy visibility and audibility. It is possible to arrange the stage in a wide configuration, for staging with just as much impact as a dome or stadium-class set-up.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Center stage</th>
</tr>
</thead>
<tbody>
<tr>
<td>17,000 (including standing room)</td>
</tr>
<tr>
<td>A pattern with the stage in the central seating area. You can arrange a venue in style that has the stage surrounded by the audience, which can accommodate up to 17,000 people.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Transformable stage</th>
</tr>
</thead>
<tbody>
<tr>
<td>We can accommodate a wide variety of stage settings based on the A stage and B stage patterns.</td>
</tr>
</tbody>
</table>

Sports

The united cheering and emotion create a moving scene.

The venue with its mix of audience excitement, the athletes who turn that excitement into strength, and the staff and organizers who support the game. We will help each and every individual involved to become intoxicated in a new page in history.

Other Style

Transformation into a variety of styles plays a symphony of delight.

From preparations by staff to usage by visitors, there is always an insistence on comfort and amenity. With flexible usability, we can accommodate what everyone wants to achieve.

Product sales

Examination site
Excited venues and comfortable usage scenes produced by extensive facilities.

In addition to amenities to enable the creation of venues and staging to suit a variety of events, there are also places available where everyone can enjoy themselves in comfort. As well as the visitors, performers and staff alike will also be excited.

We will assist in the creation of venues tailored to your planning and staging!

"Lambda Type Retractable Seating System" makes it possible to freely change the form of the main arena. It is a computerized system that allows you to freely change the form of the main arena. The movable audience seating unit housed in the floor of the main arena can be raised or lowered to set up a flat floor, audience seating or a stage. You can create a venue with the freedom to position the stage and audience seating to suit the planning and staging of the event.

High-quality video, from anywhere in the venue!

"Large-scale video screen" that can be utilized in a variety of ways (full-color LED display system "Techno Rainbow")

"Techno Rainbow (made by Toshiba)" a state-of-the-art, full-color LED display system, permanently installed in the center of the main arena ceiling, can deliver high-quality, high definition video information via four large (78-inch) screens. In any kind of event, the system can be put to use in a wide variety of ways, such as broadcast of service videos, staging and various announcements.

Clear sound quality that is audible throughout the entire venue!

A "sound system" that makes it easy for each and every visitor to hear

There are 43 high-powered speaker units (made by MEYER SOUND Co., Ltd) in the main arena, covering every corner of the auditorium. The sound quality and functionality are professional level and can also be used as auxiliary speakers in a concert show. They can also be easily used together with any sound system you bring. In addition, using the digital audio mixing console, you can instantly switch between sound fields to suit each event.

Facilities

Convenient facilities set up to surround the main area, from the sub-space to the back yard.

Utility space “Sub-Arena” (2,036m²)
A sub-space for sports such as futsal, basketball and volleyball. When holding sporting events in the main arena, it can also be used as a training ground or warm-up space. It can also be used in a variety of other ways, including as a rehearsal hall.

Hold small-scale product sales and exhibitions in a perfectly sized space!
“Centennial Hall” with the attraction of free spacing (729m²)
A sub-space where you can hold events such as product sales, exhibitions, parties and lectures. It can be partitioned into one-third and two-thirds with the sliding walls, and there is also loaned equipment available, such as a simple stage and chairs. In addition, it can be utilized as an exhibition and product sales area when holding a convention in the main arena, or as a merchandise sales area when holding a concert show.

Performers can relax in peace!
“Dressingroom” with a calm atmosphere, located close to the stage
All 22 dressingrooms offer a relaxed and creatively inspiring space. In particular, “Dressingroom 1 and 2”, which are intended for use by artists and VIPs, are reminiscent of a hotel suite. Making use of all the rooms, including sub-spaces, a maximum of 30 spaces can be used as dressingrooms.

Supporting smooth preparations by the event staff!
“Carry-in entrances” designed for efficiency
The main arena’s Carry-in entrances provide access along three paths, all of which are flat. In addition, the large warehouse, which is part of the main Carry-in entrance, can be entered by up to two 11t-vehicles.

You can entertain special guests!
“Suites and boxes” allow guests to enjoy themselves at their own pace.
The arena offers eight “boxes” which boast superior comfort. In addition, there are two “suites”, each with even better specifications, which give a special sense of security and distinction. They feature seating made by French company Quinet, Galay Renaissance, who has also installed seating in the Palais Garnier opera house in Paris, and guests can indulge in the feeling of luxury.

From independent usage, to usage in conjunction with the main arena!
Utility space “Sub-Arena” (2,036m²)
A sub-space for sports such as futsal, basketball and volleyball. When holding sporting events in the main arena, it can also be used as a training ground or warm-up space. It can also be used in a variety of other ways, including as a rehearsal hall.

The positive, speedy and sincere support of "Team Yokohama Arena" will ensure your event is a success.

At Yokohama Arena, all our staff work together to support our users. Yokohama Arena, which delivers a variety of proposals, the Stage Office, which specializes in stage related events, the Lambda Management Office, which operates the movable audience seating system, the Disaster Prevention Center, which manages the facilities and equipment, and all other related staff together form "Team Yokohama Arena".

Making use of their extensive track records and wealth of experience, all members of the team will always act in good faith to provide positive and speedy support.

As a result, the holding of events where safety and peace of mind come first, and a state-of-the-art stage that continues to evolve, can be achieved.

With our support system that gives peace of mind to all our users, Yokohama Arena will continue to deliver great "dreams" and "excitement".

There are also many things you can do after the event! A location where you can fully enjoy the sophisticated city of Yokohama.

Another attraction of the Yokohama Arena is its prime location, where you can spend time meaningfully before and after the conventions, etc. Since opening about 150 years ago, the Port of Yokohama has continued to develop, and Yokohama, now Japan’s second most populous port city, has a large number of richly varied tourist spots. In addition, other than "Shin Yokohama Prince Hotel & Shin Yokohama Prince Pepe", "Cubic Plaza Shin-Yokohama" and "Shin-Yokohama Raumen Museum", the area around Shin-Yokohama has other facilities where you can enjoy yourself or relax and unwind after the event, such as gourmet, shopping, sightseeing and accommodation facilities.

We very much hope you will enjoy your "Yokohama".

Yokohama Arena

Location

Yokohama Minatomirai 21
"Yokohama’s state-of-the-art city" is a popular area packed with facades that can be enjoyed by everyone — from children to adults.

Yokohama Motomachi and Chinatown
An "ancient city of the samurai" that boasts a long history. There are plenty of facilities with a taste of the Great Buddha. In addition, you can enjoy the famous ramen noodles from all over Japan.

Kamakura and Enoshima
An "ancient city of the samurai" that boasts a long history. There are plenty of facilities with a taste of the Great Buddha. In addition, you can enjoy the famous ramen noodles from all over Japan.

Yokohama Hakkaisya Sea Paradise
A popular theme park with the highest number of visitors when you can enjoy "everything about the sea" as well as a sea amusement park where you can have fun all day.

Yokohama Red Brick Warehouse
It is a very popular theme park with the highest number of visitors when you can enjoy "everything about the sea" as well as a sea amusement park where you can have fun all day.
